Dear Parents/Carers

### **RE: Library Access - Home Learning Club**

We are delighted to inform you that students can now access the Library after school to receive support with their home learning.

Students can attend an after-school Home Learning club for access to our digital programmes, such as Bedrock, Lexia, Hegarty and Sparx or for help and support in completing their home learning. The facilities available for student use include:

- Computer access
- Printing facilities
- Study desks
- An excellent collection of curriculum support books (including GCSE revision guides)
- A wide range of non-fiction texts

The Library will be open to all students 3pm-4pm, Tuesday – Friday and each session will be facilitated by our Librarian, Miss Booth. The timetable for the Home Learning club can be found overleaf. If your child wishes to attend any of the sessions, please can you tick the days you would like your child to attend. This will inform Miss Booth of who will be attending so that a register can be taken on arrival to the club. Once signed up, students must attend every session until the end of this half term. A register will be taken during each session and communicated with the Attendance team for safeguarding purposes. Where a student has received a School Detention stamp in their planner, they **must** attend the detention and not the Home Learning club.

**Please return the page overleaf to secure a place in our Home Learning club. The form must be signed, and the appropriate boxes ticked. The completed form should be handed to your child's Form Tutor by Monday 4 October.**

I hope your child will join us, by attending the Home Learning club, should they feel they would benefit from accessing the services we have available to them in the Library. If you have any questions, please do not hesitate to contact the Enquiries team: [enquiries@johnsmeatonacademy.org.uk](mailto:enquiries@johnsmeatonacademy.org.uk), who will forward your questions to me.

Yours faithfully

Mrs Z Hanif  
Assistant Principal
