

11 October 2021

Dear Parents/Carers

100% Attendance Club Launch Event – Thursday 21 October

CONGRATULATIONS!!!

We are delighted to write to you today to confirm that, because of your son/daughter's 100% attendance, they are still on track to attend our incredibly exciting '100% Attendance Club Launch Event'. The launch event is taking place on **Thursday 21 October**, and assuming your son/daughter maintains their 100% attendance until then, they will be permitted to attend the event and access a range of fun activities and stalls.

To ensure that we are adhering to our health and safety policies, it is important to stress that, despite the launch event taking place at the academy, your son/daughter will only be able to access the event if they have parental permission for each of the activities.

The launch event will include the following (please use the hyperlinks below to see more information):

- Inflatables – [Three piece assault course](#) & [penalty shoot-out](#)
- An ice cream van
- Slush machine
- A hot dog stand
- [Miami Thrill Ride](#)
- [Wild West Stagecoach photo booth](#)

In addition to this, we are delighted to announce that four lucky students will also have the opportunity to go on a ten-minute **HELICOPTER RIDE** over the city of Leeds. The helicopter will land on the school field and will take four randomly selected students, who have 100% attendance, on the ride of a lifetime.

Please can we request that you complete the reply slip below, indicating which elements of the 100% attendance club launch event you are happy for your son/daughter to participate in. Based on the reply slip below and your consent, your child will be allocated a coloured wrist band which determines their level of access to the activities.

Following the launch event, a reminder that the 100% attendance club commences from Monday 1 November. All students with 100% attendance will be awarded with their 100% attendance badge which they must wear on the lapel of their academy blazers. The 100% attendance badge entitles your son/daughter to a whole range of fun activities throughout the academic year, as well as daily use of the '100% attendance club, fast track queue' in the dining hall. It is obviously the case that if a badge holder has a day off, they will lose their 100% attendance badge and therefore access to the rewards, with the exception of those students who have successfully had an exceptional circumstances form approved.

We very much hope that your son/daughter is looking forward to the launch event as much as we are!

Yours faithfully

Mr M Cornfoot
TGAT Partnership Director

Miss Lamble
Assistant Principal
