

20 September 2021

Dear Parent/Carer

RE: Enrichment++

Enrichment++ is incredibly important in providing opportunities for all students to develop skills and attributes in areas outside of curriculum time. It is a time when students can build upon their positive relationships with both staff and students outside of their form and class.

Students have now settled into academy life following the summer holidays and due to the lifting of certain government restrictions, we are now able to offer an Enrichment++ timetable to all our year groups. These will take place from week commencing Monday 4 October which is the week following the academy's Positive Discipline reward trip which, as you are aware, is taking place on Friday 1 October.

The timetable for these clubs is below. If your child wishes to attend any of the clubs, please can you tick the relevant box at the side of the activity. This will inform the teacher of who will be attending so that a register can be taken on arrival to the club. Once signed up students must attend every session until the end of this half term. Where a student has received a School Detention stamp in their planner, they **must** attend the detention and not the Enrichment++ session.

Please can all letters be returned no later than Friday 24 September so that all clubs and registers can be set up. **Students will not be allowed to attend clubs without signing up.**

All clubs will run from 3pm till 4pm.

Students will be expected to wear full school uniform or PE kit (depending on the nature of the Enrichment++ activity) at their clubs and will **only** be able to participate if they have the correct equipment required.

Positive Discipline will be implemented in these sessions through the rewarding of stamps, including the Gorse Gets Healthy Stamp.

Please return the page overleaf to secure a place in our Enrichment++ session(s). The form must be signed, and the appropriate boxes ticked. The completed form should be handed to your child's Form Tutor by Friday 24 September.

If you need any further details about the clubs listed, please contact the school via the email address; enquiries@johnsmeatonacademy.org.uk and this will be passed onto the respective teacher.

Yours faithfully

Mr A Huddleston
Assistant Principal
