

30 November

Year 11 Parent/Carer Consultation Evening

Dear Parent/Carer

Following the recent announcement from the Department for Education regarding the Covid-19 updates, we have taken the decision to move the Year 11 Parent/Carer Consultation evening to a virtual event.

This will still take place on Wednesday 8 December from 5 – 8pm and all subject teachers will be available for appointments. I am sure you will agree that this is an important event that must go ahead so that we can update you on your son/daughter's progress, and their recent mock examination results. This will also provide you with an opportunity to discuss how you can support your son/daughter with their revision at home so that they are maximising their time between now and the summer examinations.

To book your appointments, simply click on this link: <https://johnsmeaton.schoolcloud.co.uk/>.

Fill out the details requested on screen (Parent/Carer Title, First Name, Surname and Email Address, Student First Name, Surname and DOB) and then click the *Log In* button. You will then be able to select the teachers you would like to meet with and secure your time slots. Your bookings will appear on the My Bookings page and an email confirmation will be sent to your inbox.

We have also been lucky enough to secure our careers advisor Mrs Humphrey for the evening, should you wish to make an appointment with her to discuss your son/daughter's post-16 options. I will also be available for appointments as the senior leader link if you have any further questions.

Thank you for your patience with this ever-changing national picture. We look forward to welcoming you virtually to our Year 11 Consultation Evening.

Yours faithfully

Miss L Smail
Assistant Principal
