## Uniform

Dear Parents/Carers

I write further to my communication regarding uniform sent on 1 April 2022.

We have now undertaken our trying on day within the academy, where each student that attended will receive both their new blazer and PE top in form time at the end of term.

For those students that were not present for the trying on day, we are asking that parent/carers take their child to the SPT uniform shop (115 Main Street, Garforth, Leeds, LS25 1AF) to try on and receive their garments between 1 July 2022 and 1 September 2022. Please take a form of ID verification (passport/birth certificate) for the student so this can be cross referenced and validated to our database. If you do not have either form of ID please get in touch with [Enquiries@johnsmeatonacademy.org.uk](mailto:Enquiries@johnsmeatonacademy.org.uk) who will send you a unique UPN number that will act as the ID verification. Please be aware that if you do not have a form of identification the shop will not be able to process the order.

Other John Smeaton Academy uniform stock including house coloured ties will be available to purchase from SPT Uniforms from 1 June 2022 at <https://www.sptuniforms.co.uk> or in the shop from 1 July 2022. Students can purchase trousers, skirts and shirts from other independent retailers if they wish. All students will know which house they are part of in due course and the shop will also hold a list of this information.

Yours faithfully

**Mr Walton**  
**Business Director**
