Dear Parents/Carers of Students in **House Earhart and House Hawking**

RE: Non-Uniform House Reward- Friday 24 May 2024

Over the course of this academic year, our student and staff body have fully embraced our House system. Our students have represented their Houses with immense pride and have been incredibly passionate about earning different tokens in a bid to reach the reward lines on our token collector.

Therefore, I am delighted to share that, in an intense race to the third line, there has been an unprecedented draw! Earhart and Hawking House have reached **line THREE** of our token collector at the same time. Therefore, as your child is a member of House Earhart/Hawking, they are eligible for our third reward which is a **House non-uniform day** taking place on **Friday 24 May 2024**.

This reward is to recognise and celebrate the success of House Earhart and Hawking members earning enough tokens, quicker than the other Houses, to reach line three of our token collector first! This is a fantastic achievement that truly deserves to be celebrated.

On **Friday 24 May 2024**, all House Earhart and Hawking students will be eligible to attend the academy wearing their own choice of clothing and footwear – a classic non-uniform day. We do ask for health and safety purposes, students arrive to the academy wearing **suitable** clothing and footwear (**not permitted:** crocs, flip flops, sliders and crop tops). Our rules regarding jewellery items are as normal and I would also like to remind students that they will still need to bring in their PE kit (if they are timetabled to have a PE lesson) and correct equipment **including lanyard and planner** as they will be attending lessons as normal.

All House Earhart and Hawking members are eligible for this reward but students can arrive to the academy wearing their normal full school uniform, if they would prefer. Please also note, any student who is due in isolation on the day of the non-uniform day should arrive to the academy wearing their school uniform as normal or they will be required to borrow uniform items from the academy.

We look forward to celebrating the victory for reaching reward line 3 first with all House Earhart and Hawking members on the **non-uniform day** taking place on **Friday 24 May 2024**.

If you have any questions at all, please feel free to contact the school via our email address:
