Dear Parent/Carer

RE: Year 10 Mock Examinations

I hope this letter finds you well. I am writing to you today to inform you that your child will be completing their first mock examination series from Monday 17 June to Thursday 27 June. This will be the first opportunity that Year 10 experience a formal examination setting, and these exams will be completed under full exam conditions to prepare them for their GCSE exams that will take place this time next year.

Please find enclosed the mock examination timetable that your child will be completing so that you can discuss this with them and support them with their revision at home. Teachers will be using the results of each exam paper to assess your child's current attainment and plan ahead for year 11 to ensure that we fully prepare them for success with their GCSEs.

I would like to thank you in advance for your support with ensuring that your child attends school, and their mock examinations during this very important period of time.

If you have any questions about the mock examinations, please do not hesitate to contact me via Enquiries@johnsmeatonacademy.org.uk

Yours faithfully

Miss L Smail
Assistant Principal for Student Progress and Achievement
